1 INTRODUCTION

1.1 South Eastern University of Sri Lanka

The South Eastern University of Sri Lanka (SEUSL) was first established as the South Eastern University College of Sri Lanka and commenced to function from 27th July 1995. It was then upgraded to the status of a fully-fledged university, SEUSL, from 15th May 1996. There are six faculties in SEUSL. The Faculties of Arts and Culture, Management and Commerce, Islamic Studies and Arabic, Technology, and Engineering are located in the main campus at Oluvil while the Faculty of Applied Sciences (FAS), established in 1997, is located at Sammanthurai.

Vision

“An internationally renowned center in South Asia for higher learning and innovations in sciences, technologies and humanities”

Mission

“To provide expanded opportunities for higher learning of international standards through generation and dissemination of knowledge and innovations focused on regional and national needs, social harmony and stakeholders’ empowerment and satisfaction”

1.2 Faculty of Applied Sciences

The FAS consists of four departments, namely Biological Sciences, Chemical Sciences, Mathematical Sciences and Physical Sciences and offers undergraduate programs in Biological Sciences and Physical Sciences. Three-year General Degree and four-year Honours Degrees in Applied Biology, Applied Statistics, Botany, Chemistry, Computer Science, Mathematics and Physics are offered. In addition, a four-year Honours Degree in Applied Sciences is obtainable.

Our main objectives are to:

- *Be Innovative in Undergraduate Teaching and Learning,*
- *Strengthen Research and Graduate Programmes,*
- *Enhance the employability of graduates through developing English language, IT skills, soft skills and promoting ethnic cohesion,*
- *Be a centre of excellence in the region for community and resource development,*
- *Capitalize on Globalization of Education.*

These objectives are integrated with the outcomes of the SEUSL Corporate Plan. The faculty plans to introduce a number of new initiatives to achieve the above objectives. The proposed new initiatives include: comprehensive curriculum revisions in all subjects; creating opportunities for enhancement of professional skills of students; efforts to increase research activities; increasing graduate enrolment and strengthening relationships with industries, local and foreign universities.

Vision

“To be a world-renowned knowledge hub in sciences”

Mission

“To produce competitive, creative and skilled human resources through quality undergraduate and graduate science programmes, generate knowledge through research and impact development through outreach programmes in keeping with local and global timely needs”

1.3 Graduate Profile of the Faculty of Applied Sciences

Honours Degree programmes

- Competent/Proficient in a specialized subject with an advanced knowledge and understanding of the core aspects of the subject.
- Capability to critically analyze and innovatively solve problems.
- Apply relevant experimental methods and modern technologies in research.
- Be an effective oral and written communicator in the subject.
- Perform successfully as an individual and as a team member or a team leader in multi-cultural and multi-disciplinary settings.
- Demonstrate ability to apply academically gained knowledge, skills, and commitment in pursuing group work in a wider context.
- Use information technology (IT) for applications and to search, evaluate, utilize, share, and create content.
- Be a social and environment friendly professional, entrepreneur/manager.
- Possess a strong intellectual integrity, ethical values, commitment, and self-evaluation in completing responsibilities.
- Be more attentive to the community, national and global needs and demands.
- Be aware of own culture and values and appreciate and tolerate other cultures.

- Be equipped to pursue higher studies, compete in national and global arena, and to engage in independent and life-long learning to achieve personal and career goals.

General Degree programmes

- Competent/Proficient in knowledge and understanding of the core aspects of selected subjects
- Capability in analyzing and solving problems
- Perform successfully as an individual and as a team member or a team leader in multi-cultural and multi-disciplinary settings.
- Demonstrate ability to apply academically gained knowledge, skills, and commitment in pursuing group work in a wider context.
- Skilled in oral and written communication.
- Use information technology (IT) for applications and to search, utilize, share, and create content.
- Be a social and environment friendly professional, entrepreneur/manager.
- Possess intellectual integrity, ethical values, commitment, and self-evaluation in completing responsibilities.
- Be attentive to community, national and global needs and demands.
- Be aware of own culture, values and appreciate and tolerate other cultures.
- Be equipped to pursue higher studies, compete in national and global arena and to engage in independent and life-long learning to achieve personal and career goals.

1.4 Faculty Administrative Staff

Dean

Dr. UL. Zainudeen

B.Sc. (Hons.) (UPDN),

M.Sc. (UPDN),

Ph. D. (UPDN).

Snr. Lecturer (Gr. I)

ulzdeen@seu.ac.lk

Heads of the Departments

Biological Sciences

Dr. V. Sujarajini

B.Sc. sp. (Hons.) (EUSL),

Ph.D. (EUSL).

Snr. Lecturer (Gr. II)

sujaraji@seu.ac.lk

Chemical Sciences

Dr. MH. Haroon

B.Sc. sp. (Hons.) (UPDN),

Ph.D. (UPDN).

Snr. Lecturer (Gr. I)

haroonmh@seu.ac.lk

Mathematical Sciences

Mr. AL. Hanees

B.Sc. sp. (Hons.),
(SEUSL).

M.Tech. (India).

Snr. Lecturer (Gr. II)

alhanees@seu.ac.lk

Physical Sciences

Dr. AMNM. Adikaram

B.Sc. sp. (Hons)(UPDN),

M. Eng. (Japan),

Ph.D. (UPDN).

Snr. Lecturer (Gr. I)

maduryaadikaram@seu.ac.lk

Assistant Registrar

Ms. S. Archsana

B.Sc. Ag. Tech. & Mgt. (Hons.) (UPDN),

CIMA Adv. Dip. MA (CIMA – UK).

archsana@seu.ac.lk

1.5 Academic Staff

1.5.1 Department of Biological Sciences

Mr. A. Naseer Ahmed
*B.Sc. Agric. (Hons.) (UPDN),
M.Sc. (UPLB).*
Snr. Lecturer (Gr. I)
nahmed312@yahoo.com

Mr. EMJM. Rizvi
*B.Sc. sp. (Hons.) (UPDN),
M.Phil. (UPDN).*
Snr. Lecturer (Gr. I)
rizvijam@seu.ac.lk

Dr. MIS. Safeena
*B.Sc. (Hons.) (UPDN),
M.Sc. (UPDN),
Ph.D. (UPDN).*
Snr. Lecturer (Gr. I)
safeenim@seu.ac.lk

Mr. A.M. Riyas Ahamed
*B.Sc. sp. (Hons.) (EUSL),
M.Phil. (EUSL),
M.Sc. (Wits, RSA).*
Snr. Lecturer (Gr. II)
riyasahame@seu.ac.lk

Dr. V. Sujarajini
*B.Sc. sp. (Hons.) (EUSL),
Ph.D. (EUSL).*
Snr. Lecturer (Gr. II)
sujaraji@seu.ac.lk

Ms. IBK. Thomas
B.Sc. Sp (Hons.) (SEUSL).
Lecturer (Prob.)
ibuddhima@seu.ac.lk

Ms. TWGF. Mafaziya Nijamdeen
*B.Sc. Sp. (Hons.) (UPDN),
M.Sc. (UPDN).*
Lecturer (Prob.)
fathimamafaziya@seu.ac.lk

Ms. N. Thasajini
B.Sc. Sp (Hons.) (UJF).
Lecturer (Prob.)
thasajini@seu.ac.lk

1.5.2 Department of Chemical Sciences

Dr. MH. Haroon
*B.Sc. sp. (Hons.) (UPDN),
Ph.D. (UPDN).*
Snr. Lecturer (Gr. I)
haroonmh@seu.ac.lk

Mr. MF. Nawas
*B.Sc. sp. (Hons.) (UPDN),
PG.D. (UPDN),
M.Phil. (UPDN).*
Snr. Lecturer (Gr. I)
mfnawas@seu.ac.lk

Dr M.N.M Farhath
BSc (Hons.) (UOC),
Ph.D. (USA).
Snr. Lecturer (Gr. II)
mmohamed@seu.ac.lk

Dr. (Mrs) PVHK Ranasinghe
B.Sc. sp. (Hons.) (USJP)
Ph.D. (LSU-USA).
Lecturer
ranasinghek@seu.ac.lk

Dr. A. Manjeevan
B.Sc. sp. (Hons.) (UJF),
M.Sc. (UPDN),
Ph.D. (UPDN).
Lecturer
manjeevan@gmail.com

Ms ABF Rifana
B.Sc. sp. (Hons.) (SEUSL).
Lecturer (Prob.)
rifanairfan@seu.ac.lk

1.5.3 Department of Mathematical Sciences

Division of Applied Statistics

Prof. A. Jahufer
B.Sc. (Hons.) (UPDN),
M.Sc. (UPDN),
M.Phil. UPDN),
Ph.D. (Xiamen).
Professor
jahufer@seu.ac.lk

Dr. AM. Razmy
B.Sc. Agric. (Hons.) (UPDN),
M.Sc. (UPDN),
M.Sc. (NUS),
Ph.D. (MRT).
Snr. Lecturer (Gr. I)
amrazmy@seu.ac.lk

Mr. MC. Alibuhtto
B. Sc. (Hons.) (SEUSL),
M.Sc. (UPDN),
M.Phil. (UPDN).
Snr. Lecturer (Gr.II)
mcabuhtto@seu.ac.lk

Mr. MTM. Firas
B. Sc. (Hons.) (UPDN).
Lecturer (Prob.)
firas@seu.ac.lk

Mrs. M.A. Haalisha,
B.Sc.sp (Hons.) (SEUSL).
Lecturer (Prob.)
haalisha90@seu.ac.lk

Division of Computer Science

Dr. HMM. Naleer

*B.Sc. (Hons.) (UPDN),
M.Sc. (UPDN),
M.Phil. (UPDN),
Ph.D. (BIT).
Snr. Lecturer (Gr. I)*
hmmnaleer@seu.ac.lk

Mr. AL. Hanees

*B.Sc. sp. (Hons.) (SEUSL),
M.Tech. (India).
Snr. Lecturer (Gr. II)*
alhanees@seu.ac.lk

Dr. MAC Akmal Jahan

*B.Sc.sp. (Hons.) (SEUSL)
Ph.D. (QUT-Australia).
Lecturer*
akmaljahan@seu.ac.lk

Mr. MMM. Mufassirin

*B.Sc. sp. (Hons.) (SEUSL).
M.Sc. (UPDN).
Lecturer (Prob.)*
mufassirin@seu.ac.lk

Division of Mathematics

Dr. K. Komathiraj

*B.Sc. sp. (Hons.) (EUSL),
M.Sc. (Natal),
Ph.D. (KwaZulu-Natal).
Snr. Lecturer (Gr. I)*
komathiraj@seu.ac.lk

Mr. MAAM. Faham

*B.Sc. sp. (Hons.) (UPDN),
M.Phil. (UPDN).
Snr. Lecturer (Gr. II)*
aamfaham@seu.ac.lk

Mrs. R. Yogeswary

*B.Sc. sp. (Hons.) (EUSL.),
PG.D. (MRT).
M.Sc. (MKU),
M.Phil. (UPDN).
Lecturer (Prob.)*
yoges@seu.ac.lk

Ms. EGKM Gamlath

*B.Sc. sp. (Hons.) (UPDN).
Lecturer (Prob.)*
sgkmgamlath@seu.ac.lk

Mr. N.M. Fasmie

*B. Sc. sp. (Hons.) (UPDN).
Lecturer (Prob.)*
fasmie@seu.ac.lk

Mr. MA. Raheem

*B. Sc. (Hons.) (EUSL),
PG.D. (MRT).
Edu. Assistant.*
marahem@seu.ac.lk

1.5.4 Department of Physical Sciences

Division of Earth Science

Dr. AMNM. Adikaram

B.Sc. sp. (Hons) (UPDN),

M. Eng. (Japan).

Ph.D. (UPDN).

Snr. Lecturer (Gr. I).

maduryaadikaram@seu.ac.lk

Dr. T.B.N.S. Madugalla

B.Sc. sp. (Hons.) (UPDN),

Ph.D. (UPDN).

Lecturer

nadeeshamadugalla@seu.ac.lk

Mr. S.V.T.D. Raveendrasinghe

B.Sc. sp. (Hons) (UPDN),

M. Sc (UPDN),

Lecturer (Prob.)

raveendrasinghe@seu.ac.lk

Division of Physics

Dr. UL. Zainudeen

B.Sc. (Hons.) (UPDN),

M.Sc. (UPDN),

Ph.D. (UPDN).

Snr. Lecturer (Gr. I)

ulzdeen@seu.ac.lk

Dr. MJM. Jafeen

B.Sc. sp. (Hons.) (EUSL),

Ph.D. (UPDN).

Snr. Lecturer (Gr. I)

jafeenmi@seu.ac.lk

Mr. T. Jaseetharan

B.Sc. sp. (Hons.) (UJF),

M.Sc. (UPDN).

Lecturer (Prob.)

jaseetharan@seu.ac.lk

1.5.5 Senior Assistant Librarian

Mrs. M. M. Mashroofa

B.Sc. (Hons.),

PG.D. (OUSL),

MLS (UCO).

Sen. Asst. Librarian (Gr. I)

mashroof@seu.ac.lk

1.5.6 Programmer cum System Analyst

Mr. A. Samsutheen

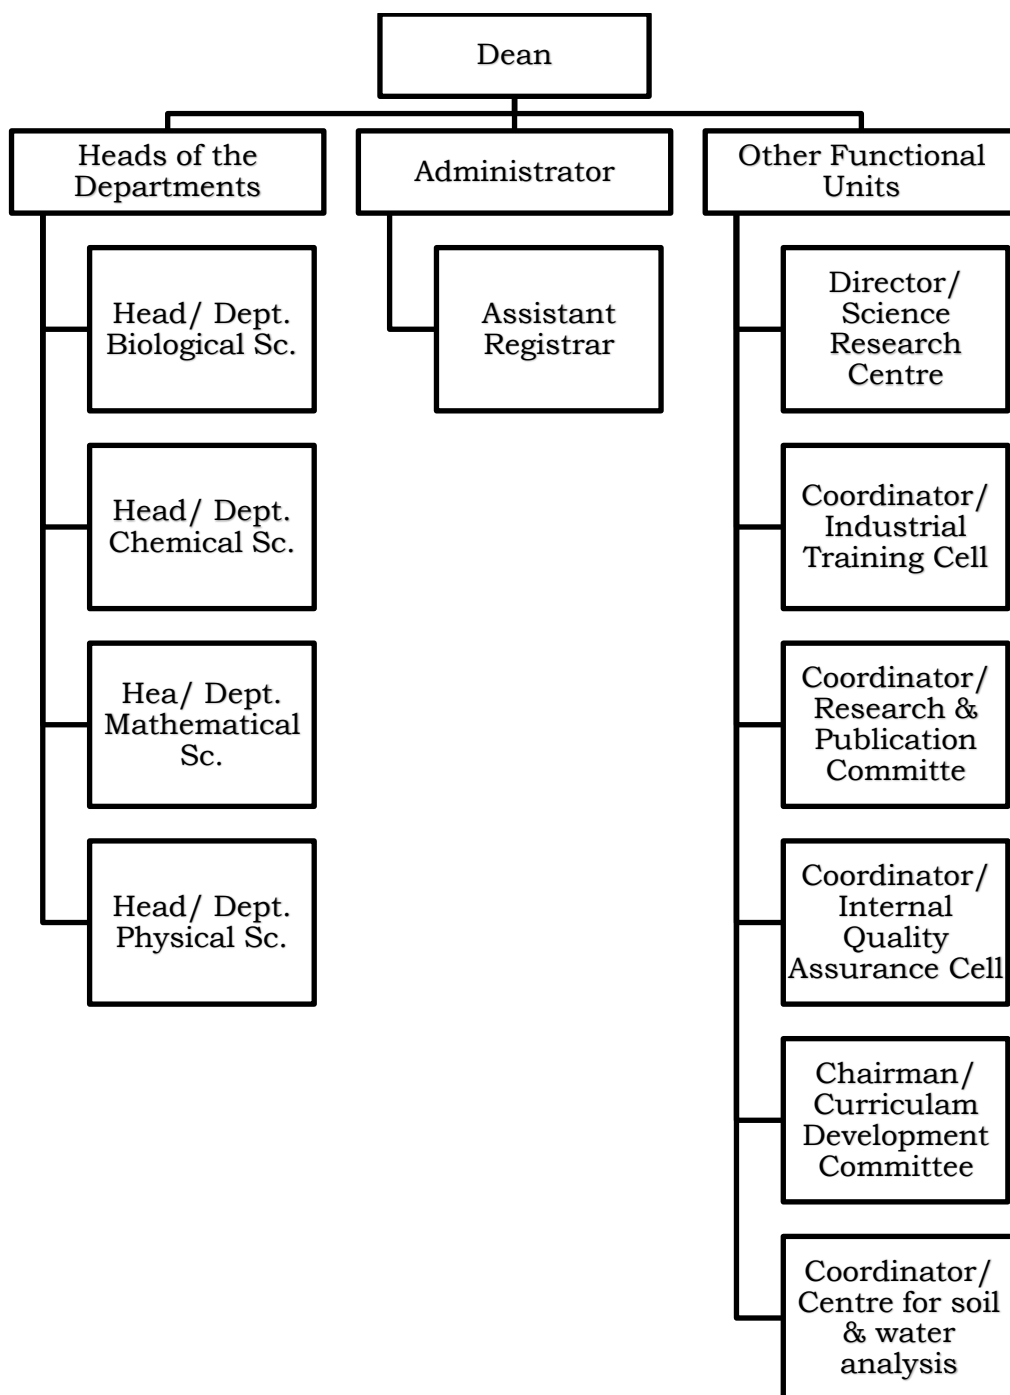

B. Sc. (UCO),

PG.D. & M. Sc. in IT (SLIIT)

Programmer cum System Analyst (Gr. I)

samspsa@seu.ac.lk

1.6 Organogram of the Faculty

2 UNDERGRADUATE STUDY PROGRAMMES

2.1 Introduction

The faculty offers General Degree, Honours Degree and extended Degree programmes. The academic programme is based on semester system. Generally, a semester consists of 15 weeks of academic activities.

2.2 Medium of Instruction

The medium of instruction at FAS shall be **English**.

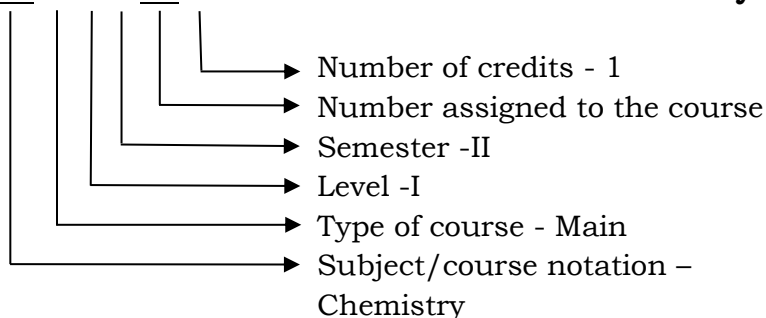

2.3 Course Unit System

The Degree programmes are conducted on a **Course Unit System** where each course is assigned credit values, a time-based quantitative measure. A **Credit** is equivalent to **15 hours of lecture component, 30 - 45 hours of practical component, or both lecture and practical components with appropriate proportion**. The credit weight of a course unit may vary.

2.4 Course Notation

The course units are denoted by an alphanumeric code. The code consists of 05 numerals prefixed by 03 letters. The first 02 letters refer the subject area of the course unit and the 3rd letter indicates type of course unit whether it is a main course for the General Degree (**M**), a main course for the Honours Degree (**S**), an elective course (**E**), a compulsory course (**C**) or an auxiliary course (**A**). The first numeral denotes the level, the second numeral denotes the semester, the third and fourth numerals indicate the number assigned to the course unit by the department of study and the fifth numeral indicates the credit value of the course unit referred.

Example: CH M 1 2 04 1 – Chemical Kinetics and Thermodynamics

The notation used for subjects are given below.

AS - Applied Statistics

BL - Biology

CH - Chemistry

CS - Computer Science

ES - Earth Science

MT - Mathematics I / Mathematics II

PH - Physics

Note: For Honours Degree courses, the first two digits of the course code may change regardless of the definition mentioned above.

2.5 Degree Programmes

The faculty offers the following undergraduate degree programmes:

- Bachelor of Science (General) (3 Years)
- Bachelor of Science Honours (4 Years)
- Bachelor of Science Honours in Applied Sciences (4 Years).

2.6 Details of Courses Offered and Possible Course Combinations Students Could Follow

The faculty offers the core science subjects i.e. Biology, Physics, Chemistry, and Mathematics I & II and the applied science subjects of Computer Science, Applied Statistics and Earth Science at all three levels. In addition, Compulsory, Auxiliary and Elective Courses are offered. The subjects and courses of different categories for the above-mentioned degree programmes and the conditions for selection of courses underneath for each level are given below.

2.6.1 Subjects/ Courses of Level – I

Table 2.1: Subjects and courses offered in Level-I

A	B	C	D	E
Subjects	Subjects	Compulsory Courses	Elective Courses	Auxiliary Courses
BL (8C) MT I (8C)	CH (6C) PH (6C) CS (6C) AS (6C) ES (6C) MT II (6C)	MTC 11011 (1C) BLC 11011 (1C)	ASE 11012 (2C) CSE 11021 (1C) CSE 11031 (1C) CSE 11042 (2C)	ELA 11011 (1C)
		MTC 12021 (1C) ENC 12021 (1C)	SME 12051(1C)	ELA 12021 (1C)

Note: Figures within brackets indicate the credit values of the subject or course

A student in **Level-I** should select courses to the value of **29 to 31 credits** (excluding auxiliary courses) fulfilling following conditions:

- A student in Biological Science stream must follow BL from Column A and MTC 11011 and MTC 11021 from column C.
- A student in Physical Science stream must follow MT-I from Column A and BLC 11011 and ENC 12021 from column C. (**Note:** Those who wish to follow a Honours Degree programme in Mathematics should also select MT II from column B.)
- Both Biological Science and Physical Science students can select any three subjects from column B and courses to the value of 1 to 3 credits from column D.
- ASE 11012 course is offered **only** for students who do not follow Applied Statistics (AS) as a main subject.
- CSE 11031 course is offered **only** for students who do not follow Computer Science (CS) as a main subject.
- All students should follow both courses in column E (2 credits).

2.6.2 Subjects/ Courses of Level – II

Table 2.2: Subjects and courses offered in Level-II

X	Y	M	N
Subjects	Subjects	Elective Courses	Auxiliary Courses
BS (9C) MT I (9C) CH (9C) PH (9C)	CS (9C) AS (9C) ES (9C) MT II (9C)	ILE 21012 (2C) CSE 21021 (1C) CSE 21031 (1C) TPE 21041 (1C)	ELA 21011 (1C)
		BCE 22012 (2C) TOE 22021 (1C) WEE 22031 (1C)	ELA 22021 (1C) SHA 22031 (1C)

Note: Figures within brackets indicate the credit values of the subject or course

A student in Level-II should select courses to the value of 30 to 31 credits (excluding auxiliary courses) fulfilling following conditions:

- A student should follow **3 subjects** (out of the four subjects followed in Level-I) one of which should be from column X and the other two subjects from either columns X or Y.
- He/she should follow courses to the value of 3 to 4 credits from column M.

- CSE 21031 course is offered **only** for students who do not follow Computer Science (CS) as a main subject.
- He/she should follow all courses in column N (3 credits).
- Those who select MT II should also follow MT I.

2.6.3 Subjects/ Courses of Level – III

Table 2.3: Subjects and courses offered in Level-III (General Degree)

X	Y	Z	M	N
Subjects	Subjects	Applied Courses	Elective Courses	Auxiliary Course
BS (9C) MT I (9C) CH (9C) PH (9C)	CS (9C) AS (9C) ES (9C) MT II (9C)	Different Applied Courses (9C)	ECE 31012 (2C) LTE 31021 (1C) MGE 31032 (2C) RME 31042 (2C) ELE 31051 (1C) PAE 32012 (2C) BEE 32021 (1C) PCE 32032 (2C) HRE 32042 (2C) IIE 32052 (2C) ELE 32061 (1C)	CDA 31011 (1C)

Note: Figures within brackets indicate the credit values of the subject or course

A student in **Level-III** (General) Degree should select courses to the value of **31** to **32** credits (excluding auxiliary courses) fulfilling following conditions:

- A student may continue with the same subjects that he/she followed in level II

OR

A student may drop one subject that he/she followed in Level-II from column Y or X (if he/she followed two or more from column X) in Level II and can offer courses from column Z.

(**Note:** Courses from column Z are prerequisite for the Applied Science Honours Degree programme regardless as explained above).

- He/she also has to follow courses to the value of 4 to 5 credits from column M.
- He/she should follow the course, CDA (Career Development) in column N.
- Those who select MT II should also follow MT I.

Table 2.4: Subjects and courses offered in Level-III (Honours Degree)

P	Q	M	N
General Courses in Subject of Specialization	Special Courses	Elective Course	Auxiliary Course
Level III general Degree courses from the subject of specialization (9 credits for subjects other than Mathematics / 18 credits for Mathematics)	Special courses from the subject of specialization (18 credits for subjects other than Mathematics / 12 credits for Mathematics)	ECE 31012 (2C) LTE 31021 (1C) MGE 31032 (2C) RME 31042 (2C) ELE 31051 (1C)	CDA 31011
		PAE 32012 (2C) BEE 32021 (1C) PCE 32032 (2C) HRE 32042 (2C) IIE 32052 (2C) ELE 32061 (1C) Any other Courses available	

A student in **Level-III** Honours degree should select courses to the value of **31** to **32** credits (excluding auxiliary courses) fulfilling following conditions:

- A student has to follow all general degree courses of the subject of specialization in level III (Column P).
- He/she should follow all the special courses of the subject of specialization offered in Level III (Column Q).
- He/she also has to follow courses to the value of 4 to 5 credits from column M.
- He/she should follow the course, CDA (Career Development) in column N.
- A student specializing in mathematics should have followed MT I and MT II in Levels I & II.

2.6.4 Subjects / Courses of Level – IV

Table 2.5: Subjects and courses offered in Level-IV (Honours degree)

Courses	Credit Total
Special courses from the subject of specialization.	30 C

Table 2.6: Subjects and courses offered in Level- IV (Applied Science Honours Degree)

Subject 1	Credit Total
Applied Courses and Industrial Training Student must have obtained courses from column Z in the level III in order to offer the degree programme	30 C

Note: Students who follow Honours degree should follow the compulsory course ENC 41011- Level V English

2.7 Course Requirements for Degree Programmes

2.7.1 Bachelor of Science (General Degree)

In order to earn a Bachelor of Science (General) degree, a student must complete a **minimum of 90 credits excluding auxiliary courses** in three academic levels as summarized in Table 2.7.

Table 2.7: Summary of credit requirements for general degree programme

Level	Number of credits
Level I	29 – 31
Level II	30 – 31
Level III	31 – 32
Total	90 – 94

Note: Elective courses can be used only to satisfy the minimum credit value requirement of 90 credits.

2.7.2 Bachelor of Science Honours Degree

Students are admitted to the Bachelor of Science Honours Degree Programmes at the beginning of the Level III. Students may specialize in a subject with strong commitment to a particular discipline and it allows a student to pursue an in-depth study of the subject area.

In order to earn a Bachelor of Science Honours Degree, a student must complete a **minimum of 120 credits excluding auxiliary courses** in four academic levels as summarized in Table 2.8.

Table 2.8: Summary of credit requirements for Honours Degree programmes

Level	Number of credits
Level I	29 – 31
Level II	30 – 31
Level III	31 – 32
Level IV	30
Total	120 – 124

Note: Elective courses can be used only to satisfy the minimum credit value requirement of 120 credits.

Some of the courses offered by the other departments may be considered as comparable to respective main course and thus would be considered to make up the minimum number of credit requirement (72 credits) of subject of specialization. Students should consult the respective department of subject of specialization for that particular degree programme before selecting such electives courses.

2.7.2.1 Eligibility Requirements to Follow the Honours Degree Programme

Students who have completed all courses in Level I and Level II may apply for selection to one or more Honours degree programmes, provided that they have met the selection criteria.

The **minimum requirements** to follow the Honours degree programme are:

- Obtained a GPA of at least **2.50** from all credits.
- Obtained a GPA of at least **2.70** for all courses of the subject of specialization.

The number of students admitted to a particular Honours degree programme will be limited and decided by the department of study depending on the resources available. In case there are more number of applicants, only the most eligible candidates will be selected based on the order of their GPA and on the performance at the interview.

2.7.2.2 Revert or Withdrawal from The Honours Degree

If a student wants to revert to the general degree programme, he/she should do so **before the commencement of Level IV**. On the other hand, if the department of study finds that a student is unable to reach the expected standards, he/she will be requested to revert to a general degree programme.

Such a student would be eligible for the General degree if he/she has obtained the minimum requirements to be eligible for the General Degree as stipulated in the respective 'undergraduate student guide'. In such cases the special courses followed will be considered as those from a principal subject.

2.7.3 Bachelor of Applied Sciences Honours Degree

Admission of students for this degree programme shall be made at the end of level III according to the eligibility criteria. In order to earn a Bachelor of Applied Sciences Honours Degree, a student should complete minimum of 120 credits in all four academic levels as summarized in Table 2.9:

Table 2.9: Summary of credit requirements for Applied Sciences Honours degree programme

Level	Number of credits
Level I	29 – 31
Level II	30 – 31
Level III	31 – 32
Level IV	30
Total	120 – 124

Note: Elective courses can be used only to satisfy the minimum credit value requirement of 120 credits.

2.7.3.1 Eligibility Requirements To Follow The Applied Sciences Honours Degree Programme

The minimum requirements to follow the Applied Sciences Honours degree programme are:

- Should have completed all the requirements to award the general degree in three academic levels as stated in Section 2.7.1,
- Should have obtained GPA of **not less than 2.7**.

Students selected for the Applied Science Honours Degree programme should be prepared to undertake an industrial training in any part of the island with the recommendation of the Faculty Board.

2.7.3.2 Removal Or Withdrawal From Applied Science Honours Degree

If a student wants to withdraw from the Applied Sciences Honours Degree programme, he/she may inform the Coordinator before the beginning of the second semester of level IV; with valid reason which should be approved by the Faculty board.

2.8 Maximum Period to Complete A Degree Programme

Student would be allowed a maximum period of **five** academic years to complete a three-year General Degree and **six** academic years to complete a four-year Honours Degree from the date of 1st registration, excluding periods of absence caused by medical or other valid reasons acceptable to the Faculty Board.

2.9 Sickness During Academic Sessions

If a student falls sick during the academic session, he/she or his/her guardian should inform this to the **Faculty Registrar** within a period of **48 hours in writing**. This information should be **confirmed within** a period of **two weeks** with a **valid medical supporting document**.

However, in a semester, if a student is unable to attend **continuously for 8 academic weeks**, the student is deemed to be withdrawn from the particular academic year and need to commence his/her studies from the next academic year in which semester he/she stopped in the previous year.

2.10 Main Courses of General Degree

Biology				
Course Code	Course Title	Credit Value	No. of Hours	
			Lect. & Tute.	Pract./ Field Work
BLM 11012	Principles of Biology	2	22	24
BLM 11022	Biological Chemistry	2	23	21
BLM 12032	Fundamentals of Ecology	2	23	21
BLM 12042	Fundamentals of Microbiology	2	22	24
BLM 21012	Form and Functions of organisms	2	22	24
BLM 21021	Ecosystems of Sri Lanka: Ecology, Conservation and Management	1	13	06
BLM 21031	Field Ecology	1	10	15
BLM 22043	Molecular Genetics and Biotechnology	3	33	24
BLM 22052	Animal Behaviour	2	22	21
BLM 31013	Horticulture	3	38	21
BLM 31022	Applied Entomology	2	22	24
BLM 32032	Aquaculture	2	22	24
BLM 32042	Applied Parasitology	2	23	21
Total Credits		26		

Mathematics – I				
Course Code	Course Title	Credit Value	No. of Hours	
			Lect. & Tute.	Pract./ Field Work
MTM 11012	Set Theory	2	30	-
MTM 11022	Vector Algebra and Geometry	2	30	-

3 GENERAL GUIDELINES FOR INDEPENDENT RESEARCH PROJECT AND GROUP ACTIVITIES

3.1 Independent Research Project

These are the general guidelines to the students who follow the independent research project as a partial fulfilment of their Honours Degree programme. It is highly expected to adhere to the given guidelines completely and strictly.

- a. Since this course unit has a credit weight of six, it is expected that each student should spend at least 600 notional learning hours, including preparation of presentation for oral examination and of the dissertation.
- b. At the very beginning of the 1st semester of their fourth year, each student should identify a research problem with his/her interest, closely related with the specialization of the subject/field and should select an appropriate supervisor/s internally or externally.
- c. Each student should submit the details of the research project and of the selected supervisor/s to the department head before the end of the third week of the 1st semester of their fourth year.
- d. If the research project is planned to conduct externally with external supervisor/s, one internal supervisor should be chosen to monitor the progress of the work.
- e. During the research work, each student should maintain a “diary or note book” describing the progress of the work, set of important measurements /data / information, the findings, etc.
- f. At the end of the project, each student should submit a draft of the dissertation to the respective Dept. before the stipulated deadline for the evaluation by a 2nd examiner.
- g. The student should present a research work for half an hour duration (oral examination) for the evaluation of the work on the stipulated date by the Dept.
- h. After the oral examination, the updated final version of the dissertation, incorporating all corrections, moderations and suggestions set by examiners, should be prepared according to the standard format.
- i. Five copies of the dissertation (at least two hard bound) having the signatures of the student and supervisor/s should be submitted to

the Dept. before the deadline. The front page of the hard bound should be in Brown.

- j. The guidelines stipulated above are subjected to change with respect to the Dept. concerned.

3.2 Group Activities

It is expected that students should adhere to the following guidelines during group activities. It will pave the way towards the successful completion of the objective of the course.

- a. Be honest but respectful to others when expressing your opinion and ideas: Avoid aggressive statements.
- b. Respect each other's ideas and opinions: Let all the members be heard, Minimize the interruptions when other group members expressing their ideas.
- c. Share the responsibilities and group work equally: All the group members should undertake an equal amount of work, tasks, and responsibilities.
- d. The common goal/s of the group activity should be identified and agreed upon.
- e. Be willing to compromise: Be flexible to discuss different opinions. Always obey the majorities' idea, in the case of a disagreement.
- f. Communicate clearly and effectively: Convey your ideas fully and properly regardless of their scope, Listen carefully.
- g. Manage time efficiently and effectively: Attend and arrive on time to all group meetings; Be flexible about meeting times.

4 DETAILS OF COURSE CONTENTS

Details of all courses offered by the faculty including learning outcomes and important references are available in the University Website (www.seu.ac.lk).

5 EXAMINATION PROCEDURES

5.1 Period of examinations

The end-semester examination of a course unit shall be held at the end of the semester in which the course unit is completed. Continuous assessments are held throughout the course during the semester.

5.2 Requirements to sit examinations

5.2.1 Registration

A person who has been registered in the university as an internal student for a particular degree can sit for relevant examinations. Students who fail to complete their intended degree at the end of the specified period should renew their registration to be eligible to re-sit failed credits at the next available opportunity.

5.2.2 Application

A student to sit for an examination should **submit an application** in the **prescribed form** within the **stipulated period**. The eligible students will be issued with an admission card for the particular examination.

5.2.3 Attendance requirement

Eighty percent (80%) attendance during teaching sessions is **compulsory** for **both theory and practical courses**. A student who has less than 80% attendance for a particular course unit may not be allowed to sit the end-semester examination of that course unit. Such candidate will have to re-sit that particular examination at the next available opportunity.

However, if a student has less than 80% attendance in practical course, he/she has to complete missed practical before the examination.

5.3 Re-sit candidates

5.3.1 Missing the first attempt

A student who does not appear for an end-semester examination of a particular course at the first opportunity available without a valid medical certificate and/or the approval of the Faculty Board and the Senate, shall forfeit the chance of sitting that examination and re-sit at the next available opportunity.

5.3.2 Sickness during Examination

If a student falls sick during the examinations, he/she or his/her guardian should inform the faculty (Senior Assistant Registrar/ Assistant Registrar) within a **period of 48 hours in writing**. This information **should be confirmed** with a valid medical supporting document within a period of **two weeks** from the last date of the particular semester examination. On approval of this request by the Faculty Board and the Senate, the student should sit the course unit at the next immediately available examination as a proper candidate.

5.3.3 Maximum number of repeat attempts

A candidate cannot repeat a course unit more than **three times** excluding the proper attempt. A grace chance may be permitted with the approval of the Faculty Board and the Senate.

5.3.4 Medical Certificate

This is a document that conforms to the format of **Medical Certificate issued by the government hospital**. Such a Medical Certificate should be obtained from any one of the following medical practitioners; A University Medical Officer (UMO), District Medical Officer (DMO), Consultant Specialist in a particular field or an Ayurvedic Physician Registered in the Ayurvedic Medical Council. Under exceptional circumstances, a medical certificate issued by a private hospital or a SLMC registered private practitioner endorsed by the University medical officer may be accepted.

5.4 Re-sitting Examinations

5.4.1 Repeat Examinations

Any examination conducted by the faculty will not be repeated. Therefore, a student who has obtained **E** grade or **IC (Incomplete) / IC-(T) (Incomplete Theory) / IC-(P) (Incomplete Practical)** for a particular course unit or who could not appear for the end semester examination (theory/practical component) of a particular course unit has to re-sit at the next available opportunity of the particular course unit (theory/practical component).

5.4.2 Improving Lower Grades

A student who has obtained C-, D+ or D for a particular course unit is advised to repeat it. However, if the grade obtained in the second sitting is less than that of the first sitting, he/ she shall be entitled to his/ her former grade. The maximum grade for a credit repeated shall be C or grade point value 2.0. A candidate, even with E grades or IC/ IC-(T)/ IC-(P) may proceed to the following year of study. However, he/ she should repeat those course units at a subsequent examination.

5.4.3 Special Needs Students

Students who come under the special in-take from UGC may be given a wide range of evaluation methods approved by the Senate to complete their Degree programme.

5.5 Re-scrutinizing the marks and grades

The prescribed guidelines of the UGC Circular No. 978, shall be adopted in the provision for requesting re-scrutinization of the mark and grades through the Results Verification board.

As, the cost of re-scrutinization process must be borne by the student, a non-refundable fee, calculated on the basis of actual cost of re-scrutiny shall be levied on the student.

5.5.1 Procedures

- SAR/AR of the faculty will notify the students of the relevant examination the period during which the requests for verification of the results are entertained by displaying a notice in the notice board of Office of Dean.
- Submission of application shall be limited only during the **02 weeks immediately** following the **release of results** of an examination at the office of SAR/AR of the faculty.
- A payment of Rs. 500/= (subject to revision) per course/subject of an end semester examination/ year end examination/ final examination would be charged for verification of the marks and grades.
- Issue of application will be done only upon the submission of receipt for the prescribed examination.

5.5.2 After the meeting of the Results Verification Board

- a) If the marks and the grades are not changed; the candidate shall be informed by the Dean through the SAR/AR of the faculty.
- b) If the marks and the grades are changed; the outcome of the verification shall be notified to the candidate(s) only after the ratification of results by the Special Results Board of the faculty in the case of end semester/Year end examination.
- c) Whereas, in the case of final examination; final results should only be released only after obtaining the approval of the Senate and Council of the SEUSL.

The results issued to the student(s) following the re-scrutiny of marks and grades shall be the final and no more requests shall be entertained thereafter.

6 EVALUATION CRITERIA

6.1 Introduction

Students are evaluated by both continuous assessments and end-semester examinations. The continuous assessments are of the form of open and closed book tests, take away assignments, quizzes, presentations etc. Assessments could also be conducted using the techniques available in the University Virtual Learning Environment (<http://vle.seu.ac.lk/> or <http://vle.fas.seu.ac.lk/>). In case of practical courses, the methods of assessments could be different depending on the nature of the subject. The continuous assessments are held throughout the course and are not repeated. Therefore, regular attendance for lectures and practical classes is very important.

6.2 Courses having only Theory Component

Duration of a question paper for end-semester examination shall be 1-3 hours depending on the credit value of the course unit. The number of questions shall be **02 per credit**, each of half an hour duration and **all the questions should be answered**.

Computation: End-semester examination, 70% + Continuous Assessment, 30%.

6.3 Courses having only Practical Component

Practical Courses will be evaluated by end-semester examination (50%) as well as continuous assessments (50%) (Practical Recordings, Assessment, Attendance, etc.).

Computation: Overall Final Evaluation, 50% + Continuous Assessment, 50%.

6.4 Courses having both Theory and Practical components

The course units having both lecture and practical components will be evaluated by both end-semester examination as well as continuous assessments. A separate end-semester practical examination will not be held for course units having practical hours less than indicated below.

- i). **1 credit course:** 10 Hrs. of Lectures and 15 Hrs. of Practical.
- ii). **2 credits course:** 15-23 Hrs. of Lectures and 45-21 Hrs. of Practical.
- iii). **3 credits course:** 30-38 Hrs. of Lectures and 45-21 Hrs. of Practical.

Computation: End-semester examination, 70% + Continuous Assessment, 30%.

The above 70% consists 45% from theory component and 25 % from practical component of the end semester examination.

Condition: For above **6.2, 6.3 & 6.4** a candidate to qualify for the 'D' grade or above he/ she should have obtained a minimum of 25 % of the converted marks from the end semester examination of the respective course units. Obtaining required marks from continuous assessments alone will not qualify the candidate for a particular grade. A course unit (theory/practical) will be considered **IC / IC-(T) / IC-(P)** if the marks obtained for that course unit or a component (theory/practical) of it at the end semester examination is less than 25%, even if the total mark obtained for that course unit is higher than or equal to 25%.

A candidate who obtains a **IC / IC-(T) / IC-(P)** for a particular course unit may re-sit both theory and practical components or only the component for which he/she has scored less than 25% marks at the next available opportunity.

When a candidate is repeating a course, the final marks will be calculated by two methods:

Method-I

Continuous assessment marks (30%) is added with the final marks of end semester examination (70%) and the grade will be given.

Method-II

Continuous assessment marks (30%) will be waived off from the final marks of the end semester examination and grades will be given considering the end semester examination marks alone for 100%.

If the method II gives a better grade than method I, than the grade obtained from Method II will be given to the student otherwise the method I will be implemented for giving grades.

6.5 Evaluation of Auxiliary Courses

Only end-semester examination marks for Auxiliary Courses will be considered for awarding grades.

6.6 Scheme of Grading

The marks obtained for each course unit will be assigned a grade and a grade point. The range of marks is divided into sequence of suitable sub-range (as decided by the Faculty) and the sub ranges are designated by the grades.

These grades are assigned grade point according to the following scheme.

<u>Marks Range</u>	<u>Grade</u>	<u>Grade Points</u>
85 - 100	A ⁺	4.00
75 - 84	A	4.00
65 - 74	A ⁻	3.70
60 - 64	B ⁺	3.30
55 - 59	B	3.00
50 - 54	B ⁻	2.70
45 - 49	C ⁺	2.30
40 - 44	C	2.00
35 - 39	C ⁻	1.70
30 - 34	D ⁺	1.30
25 - 29	D	1.00
00 - 24	E	0.00

6.7 Calculation of Grade Point Average (GPA)

GPA is the credit-weighted arithmetic mean of all Grade Points obtained by a student for the course units he/she offered excluding auxiliary courses. This will be calculated to the second decimal place according to the following formula.

$$GPA = \frac{\sum G_i N_i}{\sum N_i}$$

Where, G_i is the grade point of the i^{th} course unit, N_i is the number of credits belonging to the i^{th} course unit.

In case, a student has offered more credits than the minimum credit requirements (for General Degree 90 credits and Honours Degree 120 credits) the grade points obtained for the main courses and the best grade points among the elective courses offered by him/her will be considered for GPA calculation.

7 DEGREE AWARDING CRITERIA

7.1 General Degree

To be eligible for the B. Sc. (General Degree), a student should have completed a minimum of **90 credits**, excluding enhancement / auxiliary courses and fulfilling the following requirements:

- (a) Obtained a minimum GPA of **2.00**,
- (b) Obtained no **E** grades in any course,
- (c) Obtained minimum of C grades in English courses in Level I & II,
- (d) Completed the degree programme within **five** academic years.

Award of Honours:

In addition to the above requirements, award of Honours will be decided by the board of examiners using the following criteria as guideline.

First Class:

- (a) Obtained a minimum GPA of **3.70**,
- (b) Completed the relevant requirements within a period of **three** consecutive academic years.

Second Class (Upper Division):

- (a) Obtained a minimum GPA of **3.30**,
- (b) Completed the relevant requirements within a period of **three** consecutive academic years.

Second Class (Lower Division):

- (a) Obtained a minimum GPA of **3.00**,
- (b) Completed the relevant requirements within a period of **three** consecutive academic years.

7.2 Bachelor of Science Honours Degree

To be eligible for the Bachelor of Science Honours Degree, a student should have completed at least a total of **120 credits**, excluding enhancement/ auxiliary courses and of this a minimum of 72 credits must be in the subject of specialization and fulfilling the following requirements:

- (a) Obtained a minimum GPA of **2.00**,
- (b) Obtained no **E** grades in any course,
- (c) Obtained minimum of C grades in English courses in Level I & II,
- (d) Completed the degree programme within **Six** academic years.

Award of Class:

In addition to the above requirements, award of Honours will be decided by the board of examiners using the following criteria as guideline.

First Class:

- (a) Obtained a minimum GPA of **3.70**,
- (b) Completed the relevant requirements within a period of **four** consecutive academic years.

Second Class (Upper Division):

- (a) Obtained a minimum GPA of **3.30**,
- (b) Completed the relevant requirements within a period of **four** consecutive academic years.

Second Class (Lower Division):

- (a) Obtained a minimum GPA of **3.00**,
- (b) Completed the relevant requirements within a period of **four** consecutive academic years.

7.3 Bachelor of Applied Sciences Honours Degree

To be eligible for the Bachelor of Applied Sciences Honours Degree, a student should have completed at least a total of **120 credits**, excluding enhancement/ auxiliary courses and of this the fourth year should comprise with significant exposure to applications with practical training and fulfilling the following requirements:

- (a) Obtained a minimum GPA of **2.00**,
- (b) Obtained no **E** grades in any course,
- (c) Obtained minimum of C grades in English courses in Level I & II,
- (d) Completed the degree programme within **Six** academic years.

Award of Honours:

In addition to the above requirements, award of Honours will be decided by the board of examiners using the following criteria as guideline.

First Class:

- (a) Obtained a minimum GPA of **3.70**,
- (b) Completed the relevant requirements within a period of **four** consecutive academic years.

Second Class (Upper Division):

- (a) Obtained a minimum GPA of **3.30**,
- (b) Completed the relevant requirements within a period of **four** consecutive academic years.

Second Class (Lower Division):

- (a) Obtained a minimum GPA of **3.00**,
- (b) Completed the relevant requirements within a period of **four** consecutive academic years.

7.5 Award of Medals

1. Professor Sultanbawa Memorial Medal for the Best Student in Chemistry
2. Dr. M. H. M. Ashraff Memorial Medal for the Best Student in Sciences

8 AWARD OF HIGHER DIPLOMA IN SCIENCE

To be eligible for the Higher Diploma in Science, a student should have completed a minimum of **60 credits**, excluding enhancement/auxiliary courses.

- (a) A minimum GPA of **2.00** and
- (b) No **E** grades in any course units including auxiliary courses.

9 EXAMINATIONS RULES AND PUNISHMENTS

9.1 By-Law No. 02 of 1996 - Conduct at Examinations

Prepared under section 135 of the Universities Act No. 16 of 1978 as amended by the Universities Amendment Act No. 07 of 1985 and approved by the University Council on 24.08.1996. This By-Law as cited as By-Law No. 02 and came into force on 15th July, 1996 and is amended on 13/02/2019 and shall come into force on 13/02/2019

Rules pertaining to the Conduct of Examinations:

- 9.1.1** A candidate shall have fulfilled the attendance requirement of 80% as prescribed in order to be eligible to sit the examination of a course. The candidate should submit a medical certificate in support of his/her absence to lectures within two weeks after commencement of his/her absence. The medical certificate shall confirm to the regulations given under section 2.1.
- 9.1.2** Candidates shall be present at the Examination Hall at least 15 minutes before the commencement of each paper and shall enter the Hall only when they are requested to do so by the Supervisor.
- 9.1.3** On the admission to the Examination Hall, the candidates shall occupy the seats allocated to them.
- 9.1.4** No candidate shall have in his person or in his clothes or on the admission card, time table and record book or on any other object that is permitted to be brought to the examination hall any notes, signs, diagrams of formula or any other unauthorized materials. Books, notes, parcels, file covers, bags, mobile phones, electronic devices etc. which the candidate has brought with him should be kept at a place indicated by the Supervisor or invigilators. A calculator may be allowed only for the subjects for which it is permitted.
- 9.1.5** No candidate shall be admitted to the examination hall after the expiry of half an hour from the commencement of the examination nor shall a candidate be allowed to leave the hall until half an hour has elapsed from the commencement of the examination or during the last 15 minutes of the paper.
- 9.1.6** A candidate shall bring into the examination hall his/her Student Record Book or his/her University Identity Card which should bear the candidate's photography and his/her signature duly certified by the Registrar or the Authorized officer. If there is a discrepancy between the names indicated in the Record book or the Identity Card and the name

under which the candidate appears for the examination the candidate shall produce a certificate endorsed by the Registrar to the effect that both names refer to one and the same person. In the absence of the above proof of identity, a candidate may produce his or her National Identity Card or a recently taken photograph duly certified by an authorized person. If a candidate fails to produce the student record book or the university identity card, he/she shall sign a declaration in respect of the paper for which he/she had not produced and produce the student record book or the university identity card within the next three working days. If a candidate has lost his/her student record book or the university identity card during the examination period, he/she shall obtain a duplicate of student record book or the university identity card as the case may be from the Registrar or Senior Assistant Registrar/ Academic for production at the examination hall.

- 9.1.7** A candidate also shall bring the admission card on every occasion he/she presents himself/herself for a paper.
- 9.1.8** A candidate may be requested by the Supervisor to declare any items in his or her possession or person.
- 9.1.9** No candidate can either lend or borrow any material from any other candidate or attempt to communicate in any manner with another candidate or copy from the script of any other candidate. No candidate shall attempt to help another candidate or conduct him / her negligently so that another candidate has the opportunity of copying.
- 9.1.10** No candidate shall copy or attempt to copy from any book or paper or notes of similar material or from the scripts of another candidate. No candidate shall watch any practical examination performed by him/her. No candidate shall use any other unfair means or obtain or render improper assistance at the examination.
- 9.1.11** If any candidate was found to have copied from another candidate by an examiner at the time of marking, he/ she would be treated as having committed a punishable offence.
- 9.1.12** Candidates shall write only on the writing paper issued during the current paper on that particular date and session.
- 9.1.13** Examination stationary (i.e. writing paper, graph paper, drawing paper, ledger paper, precise paper etc.) will be supplied as and when necessary. No sheet of paper or answer book supplied to a candidate may be torn, crumpled, folded or otherwise mutilated. No papers other than those supplied to him/ her by the Supervisor/ invigilator shall be used by

candidates. Log tables or any other material provided shall be used with care and left behind on the desk. All materials supplied, whether used or unused, shall be left behind on the desk and not removed from the examination halls.

- 9.1.14** Every candidate shall enter his/ her Index Number on the answer book and every continuation sheet, before using such answer book or continuation sheet. No candidate shall write his/ her name or any identifying mark on the answer script. Any candidate who inserts on his script an Index Number other than his/ her own is liable to be regarded as having attempted to cheat.
- 9.1.15** A script that bears no index number/ registration number or has an index number/ registration number which cannot be identified, is liable to be rejected. No candidate shall write his/ her name or any other identifying mark.
- 9.1.16** All calculations and rough work shall be done only on paper supplied for the examination and shall be cancelled and attached to the answer script. Such work should not be done on admission cards, time table, question papers, record books or on any other paper. Any candidate who disregards these instructions runs the risk of being considered as having written notes or outline of answers with intention of copying.
- 9.1.17** Every candidate shall conduct himself/ herself in the examination hall and its precincts so as not to cause disturbance or inconvenience to the Supervisor or his staff or to other candidates. In entering and leaving the hall, he/she shall conduct himself/ herself as quietly as possible. A candidate is liable to be excluded from the examination hall for disorderly conduct.
- 9.1.18** No candidate shall submit a practical or field book, dissertation, thesis, project study, model or product, a programme or software, answer script or assignment which has been done wholly or partly by anyone other than the candidate himself/ herself. In terms of group projects, input from group members only are allowed.
- 9.1.19** A Candidates shall bring his/ her own pens, ink, mathematical instruments, drawing instruments, erasers, pencils or any other approved equipment or stationery which he/ she has been instructed to bring. No candidate shall bring a programmable calculator into the examination.

- 9.1.20** No person shall impersonate a candidate at the examination nor shall any candidate allow himself/ herself to be so impersonated by another person.
- 9.1.21** The Supervisor/ Invigilator is empowered to require any candidate to make a statement in writing on any matter which may have arisen during the course of the examination and such statement shall be signed by the candidate. No candidate shall refuse to make such a statement or to sign it.
- 9.1.22** Candidates shall stop work promptly when ordered by the Supervisor/ Invigilator to do so.
- 9.1.23** Absolute silence shall be maintained in the examination hall and its precincts. A Candidate is not permitted to communicate or to have any dealings with any person other than the Supervisor/ Invigilator(s). Attention of the Supervisor/ Invigilator shall draw by a candidate by raising the hand from where he/ she is seated.
- 9.1.24** During the course of answering a question paper no candidate shall be allowed to leave the examination hall temporarily. In case of any emergency, the Supervisor/ Invigilator may grant permission to do so but the candidate will be under his/ her surveillance.
- 9.1.25** No candidate shall impersonate a candidate at the examination nor shall any candidate allow himself/ herself to be impersonated by another person.
- 9.1.26** Any candidate receiving unauthorized assistance from any person shall be deemed to have committed an examination offence.
- 9.1.27** No candidate shall contact any person other than the Vice Chancellor, Dean, Head of Department or AR/ SAR/ DR Examination regarding any matter concerning the examination.
- 9.1.28** Every candidate shall hand over the answer script personally to the Supervisor/Invigilator or remain in his/ her seat until it is collected. On no account shall a candidate hand over his/ her answer script to an attendant, a minor employee or another candidate.
- 9.1.29** A candidate who is registered for a course unit shall sit for the examination unless he/she has withdrawn the registration within the prescribed period for dropping course units. The candidate should submit a medical certificate in support of his/her absence, prior to the commencement of the examination. If such a certificate cannot be submitted before the commencement of the examination, the candidate

shall inform his/her inability to attend the examination in writing preferably by registered post to the Dean of the faculty within two weeks after commencement of the examination with a valid medical certificate. The medical certificate shall confirm regulations given under section 9.2.1.

9.1.30 A student who is found guilty of an examination offence shall not be eligible for Honours.

9.1.31 No student shall sit an examination of a course if he/she has exhausted the number of attempts that he/she is allowed to sit that particular examination, unless he/she has been granted special permission to do so by the Senate with the recommendation of the relevant Faculty Board.

9.2 Regulations pertaining to acceptance of Medical Certificates submitted by students

9.2.1 Students are required to support their absence for lectures, practical classes, field works, study tours, field visits, etc. and examinations due to illness by a valid medical certificate confirming to the format of a medical certificate issued by a government hospital. Such medical certificate should be obtained from the following persons:

University Medical Officer
District Medical Officer
Consultant Specialist in the particular field
Head of Government Base Hospital
Medical Superintendent of a Provincial Ayurvedic /
Homeopathic Government Hospital

Medical certificates issued by private hospitals of registered private practitioners could be considered by the University Medical Board.

9.2.2 Student who fall ill during semester or examination time should contact the University Medical Officer at the University Health Centre immediately.

9.2.3 If a student falls sick at home or elsewhere during semester or examination time the student or his/her guardian should inform the Dean of the respective Faculty within seven (07) days by tele-mail/fax/email or other means followed by a letter indicating the nature of the illness and the name of the doctor attending to illness. A medical certificate supporting the illness also should be sent to the Dean. If a student could not submit the medical certificate within seven days, he/

she may appeal to the Faculty Board with a medical certificate within two weeks in case of a private medical certificate and within one month in case of a government medical certificate.

Upon receipt of the medical certificate(s), the Dean should follow the following procedures:

9.2.3.1 In case of a Western Medical Certificate is submitted

- a. The medical certificate should be referred to the University Medical Officer of his/her observation and recommendation.
- b. The University Medical Officer if wishes may summon the student for examination and thereafter send his/her observations and recommendations to the Dean.
- c. In cases where the University Medical Officer wishes to convene the Western Medical Board he/she may make arrangements to convene the Board and refer the recommendation of the Board to the Dean.
- d. The Dean open receipt of the recommendations, should forward it to the Faculty Board for ratification.

9.2.3.2 In case of an Ayurvedic Medical Certificate is submitted

- a. Ayurvedic medical certificates submitted by student(s) should be circulated among the members of the Ayurvedic Medical Board for their observations by the AR/SAR of the Faculty under the guidance of the Dean of the respective Faculty
- b. Each member of the Ayurvedic Medical Board may send his/her observations and recommendations on the face of the medical certificate to the Dean of the respective Faculty through the AR/SAR of the Faculty.
- c. In case where the opinions of the members of the Board vary, the AR/SAR of the Faculty with the consultation of the Dean of the Faculty may convene a meeting of the Board.
- d. The Board may examine the documentary evidence provided or may summon the student and examine the student concerned.
- e. Recommendation of the Board should be sent to the Faculty Board through the Dean of the faculty for ratification.
- f. The originals of the medical certificates submitted should be kept in the files in the Faculty while copies of the certificates

should be sent to the University Medical Officer for the purpose of records.

9.2.3.3 There shall be two medical boards, viz. Western Medical Board and Ayurvedic Medical Board

a. Western Medical Board

- The Western Medical Board shall consider the cases where the University Medical Officer has doubt about the validity of the medical certificate upon which the request of students to be excused for absence from lectures etc. or examination.
- Medical Officer of the University shall convene the Board if and when necessary
- Board has the right to call students before the Board when necessary for the purpose of interview, examination and investigations.
- Recommendations of the Board should be sent to the Faculty Board through the Dean of the respective Faculty.
- The Board should consist of a physician, surgeon, a psychiatrist and the University Medical Officer.

b. Ayurvedic Medical Board

- This Board shall consist of three (03) persons appointed by the Senate of the University.
- This Board may consider Ayurvedic medical certificates submitted by students requesting exemption from examination or lectures etc. and make recommendations to the Senate through the Dean of the respective Faculty.
- The Board shall meet at least once within a semester. The SAR/academic in consultation with the Deans of respective Faculties shall convene the Board whenever necessary.
- Board has the right to call students before the Board when necessary for the purpose of interview, examination and investigations. The SAR / Academic should request the student's presence at the Board.

- Recommendations of the Board should be sent to the Faculty Board through the Dean of the respective Faculty.
- Caution should be exercised when accepting the Ayurvedic Medical Certificates. Medicals should only be considered from those who are registered under the Ayurvedic Medical Council.
- General or special registered Ayurvedic Medical Practitioners could recommend, on any one occasion, leave upto 14 days at a stretch. Those with more than the above amount should get an endorsement from the Medical Officer in Charge of the closest Government Ayurvedic Hospital or Government Ayurvedic Dispensary.
- The Board may decide on the number of days recommended for leave even though recommended in the Ayurvedic medical certificate.
- The Board has the right to question the validity of any Ayurvedic Medical Certificate.
- The Board has the right to summon any student submitting Ayurvedic Medical Certificates, if necessary.

9.3 Procedure for inquiry and determination of punishment due to those found guilty of examination offences

Examination offences shall be reported by the supervisor of the examination to Senior Assistant Registrar / Examination Branch. This will be inquired by the Examination Offences Committee appointed by the Vice Chancellor. The findings of this Committee will be reported to the Senate. The Senate shall after consideration of the report, determine the punishments due to those found guilty of the examination offences.

9.4 Examination Offences and Punishments

9.4.1 Offences

Any candidate who violates examination rule 1.4 shall be deemed guilty of the offence of procession of unauthorized documents/items and his/her candidature for the examinations of that semester shall be cancelled and he/she shall be prohibited from sitting any examination of this University for a period varying from 1 – 4 semesters.

Type of Offences	Recommended Punishments
1. Name written on Answer Scripts	Written warning
2. Possession of bag etc. on or near desk	Written warning
3. Possession in his/her person or in his/her clothes or on the admission card, time table and record book or on any other object that is permitted to be brought to the examination hall any notes, signs, diagrams of formula or any other unauthorized materials, books, notes, parcels, file covers, bags, mobile phones, electronic devices etc. which the candidate has brought with him/her (8.1.4)	<p>a. The admission card on which that particular exam paper falls will be cancelled. This implies that the particular paper and all the other exam paper/s mentioned in the given admission with this particular paper will be cancelled.</p> <p>And / Or</p> <p>Prohibited from sitting any examination of this university for a period from 1 to 4 semesters.</p>

	<p>b. This candidate will not be eligible for class awarding.</p> <p>c. These all cancelled exam papers will be considered as repeat papers in future.</p> <p>d. And any other punishments recommended by the Senate</p>
<p>4. Use any information devices in the Examination hall</p>	<p>a. The admission card on which that particular exam paper falls will be cancelled. This implies that the particular paper and all the other exam paper/s mentioned in the given admission with this particular paper will be cancelled.</p> <p style="text-align: center;">And / Or</p> <p>Prohibited from sitting any examination of this university for a period from 1st to 4th semesters.</p> <p>b. This candidate will not be eligible for class awarding.</p> <p>c. These all cancelled exam papers will be considered as repeat papers in future.</p> <p>d. And any other punishments recommended by the Senate</p>
<p>5. Attempt to copy from any unauthorized material (i.e. book or paper or notes of similar material etc.) (8.1.10) or copy from the script of any other</p>	<p>a. The admission card on which that particular exam paper falls will be cancelled. This implies that the particular paper and all the other exam</p>

<p>candidate. (8.1.9) or watch any practical examination performed by another candidate (8.1.10).</p>	<p>paper/s mentioned in the given admission with this particular paper will be cancelled.</p> <p style="text-align: center;">And / Or</p> <p>Prohibited from sitting any examination of this university for a period from 1 to 4 semesters.</p> <p>b. This candidate will not be eligible for class awarding.</p> <p>c. These all cancelled exam papers will be considered as repeat papers in future.</p> <p>d. And any other punishments recommended by the Senate</p>
<p>6. Attempting to help another candidate or conduct him / her negligently so that another candidate has the opportunity of copying. (8.1.9)</p>	<p>a. The admission card on which that particular exam paper falls will be cancelled. This implies that the particular paper and all the other exam paper/s mentioned in the given admission with this particular paper will be cancelled.</p>
<p>7. If any candidate was found to have copied from another candidate by an examiner at the time of marking (8.1.11)</p>	<p>The admission card on which that particular exam paper falls will be cancelled. This implies that the particular paper and all the other exam paper/s mentioned in the given admission with this particular paper will be cancelled.</p>

<p>8. Disruption of examination or cause disturbance or inconvenience to the Supervisor or his staff or to other candidates 8.1.17.</p> <p>9. Not abiding by the instructions provided by the supervisor, invigilator or violates the general rules and regulations of examinations.</p>	<p>A candidate is liable to be excluded from the examination hall for disorderly conduct.</p> <p>The admission card on which that particular exam paper falls will be cancelled. This implies that the particular paper and all the other exam paper/s mentioned in the given admission with this particular paper will be cancelled.</p> <p>Other punishments stipulated in the UGC Comm. Circular 946</p>
<p>10. Impersonate a candidate at the examination or allow himself / herself to be so impersonated by another person. <p>19. Any other offences which are not covered in the above sections reported to the relevant authority by a supervisor or examiner</p>	<p>Inquired into and appropriate actions taken.</p>

9.5 Procedure Regarding Examination Offences Committed by Candidates

9.5.1 Disciplinary Committee

There shall be an examination disciplinary committee consisting all the deans of the University. The committee should be convened within two weeks by the AR/SAR/DR of Examination branch upon the receipt of a complaint. The committee should inquire into the complaint and make recommendations including punishments based on this guideline and other rules and regulations of the University within a one week of meeting the committee. The report of the committee should be tabled at the next Senate for necessary actions.

9.5.2 Procedure

9.5.2.1 In all cases of violation of examination rules, the supervisor shall take action to forward his complaint / report to the Examination Branch (to AR/SAR/DR) through the Dean.

9.5.2.2 When the supervisor detects disorderly conduct of a candidate, in the first instance, he should warn the candidate to behave properly. If the conduct of a candidate is causing disturbance to the examination or if the candidate behaves continuously in a manner which is disturbing the examination, the supervisor may exclude the candidate from the examination hall and issue a letter with copies to the respective Dean, AR/SAR/DR examination and the AR/SAR of the respective Faculty cancelling his/her candidature.

9.5.2.3 In all cases of detecting examination offences, the supervisor should send a report to the relevant Dean with a copy to the AR/SAR/DR Examination along with all relevant material including material taken into custody. All the materials taken into custody, should be authenticated by keeping signatures of the candidate, supervisor and an invigilator. The report of the supervisor should be counter signed by an invigilator.

9.5.2.4 The Dean, after a preliminary inquiry, will submit his/her recommendations to the AR/SAR/DR examination to place the same at the disciplinary committee for further actions.

9.5.2.5 Any officer of the University (i.e. examiner, head, lecturers etc.) who detects an examination offence should report it to the relevant Dean who shall after a preliminary inquiry should submit the report to the AR/SAR/DR examination to place the same at the disciplinary committee for further actions. Any allegation or complaints received from any one on examination offences should be investigated initially by the relevant Dean and with his/her report; it should be tabled at the disciplinary committee.

9.5.2.6 The AR/SAR/DR should serve as the convener of the disciplinary committee.

9.6 The Decision

9.6.1 The decision(s) of the disciplinary committee should be submitted to the Senate for a decision and the Senate should ratify the decisions.

9.7 Appeal Procedure

9.7.1 The Vice Chancellor may appoint an appeal board consisting three members among Senior Professors, Professors or Associate Professors.

9.7.2 Any student on whom a punishment is imposed may appeal within two weeks from the date of communication of the punishment. The appeal should be addressed to the Vice Chancellor.

9.7.3 The appeals board may review the decision regarding the punishment imposed and may either affirm or revise the punishments and refer back to the Senate.

10 GENERAL INFORMATION

10.1 Student Registration

All students who are admitted to the university are required to register themselves before commencing their course of studies each academic year. Students are requested to submit duly completed registration form together with all documents requested to the Academic and Examination branch of the university on or before the date specified.

10.2 Subject Registration

Students who are admitted to the faculty, requested to select courses available in the departments and register the selected courses for every semester of every year. Students are advised to select the subject combination of their choices carefully before registration. Duly filled subject registration form should be submitted at the office of the Dean with the signature of relevant lecturer in charge and Heads.

10.3 Issue of Student Record Book and Identity Card

On completion of registration, the University will issue every student a Student's Record Book and an Identity Card bearing his / her photograph duly embossed with the seal of the University.

Every student shall carry his / her record book or identity card whilst in the University premises, and shall produce such record book or identity card when called upon to do so by any member of the academic, administrative or security staff of the University.

10.4 Renewal of Registration

All Students who continue their course of studies during their second and subsequent years are required to renew their registration at the commencement of each academic year on or before the date notified. Forms for renewal of registration are made available at Academic and Examination branch or the Office of the Dean. The form for renewal duly completed together with Paying in Voucher bearing the bank seal as proof for the payment for renewal of fees prescribed by the University should be submitted to the office of the Dean on or before the closing date specified.

10.5 Payments for Registration

Details of fee are given below and the payments should be credited to the South Eastern University of Sri Lanka, Account **No. 228-100190001704**, People's Bank, Addalaichenai through any branch of the People's Bank.

Payments for Initial Registration for All Students

Registration Fees:	110/-
Annual Medical Fees:	50/-
Library Deposit:	100/-
Handbook:	25/-

Those seeking Hostel Accommodation

Hostel Fees (per year):	1200/-
-------------------------------	--------

Payments for Renewal of Registration for All Students

Renewal fees:	110/-
Medical fees:	50/-
Identity card:	100/-
Fees for repeat courses (per course):	100/-
Loss of Identity card:	300/-
Loss of Record Book:	300/-

Note: Maximum limit for the fees for repeat courses is 400/-.

10.6 Department of English Language Teaching

The DELT is operating at the main campus and a staff has been assigned to look after the need of the FAS. The particular staff is organizing the English classes during the intensive programme with the help of visiting instructors from out of the university. In addition, the staff will be conducting the English classes during the first and second year of the academic programme.

10.7 University Libraries and Museum

South Eastern University Library was established on 23rd October 1995, along with the establishment of the South Eastern University College. The main library is located at Oluvil and serves for Faculty of Arts & Culture, Faculty of Islamic Studies & Arabic Languages, Faculty of Management & Commerce, Faculty of Engineering and Faculty of Technology.

The Science Library is a branch of the main library located at FAS, Sammanthurai which is 20 Km away from the main library at Oluvil. The Science Library delivers customer focused quality information products, services and programmes based on the needs of the Faculty of Applied Sciences. The collections and services of the library are designed to match the needs that range from basic support of the curricula to the advanced research requirements of library patrons.

Collection of Science library is approximately 16,000 books 16 Current academic journals. Catalogues of the library is computerized. Library is using KOHA –open source software for automation. The collection of Science Library is now available online. Collection has been organized as Lending Section, Scheduled Reference Section, Reference Section, Periodical Section, Sri Lanka Collection, Digital Knowledge Centre and Institutional Repositories (IR). IR collection includes Faculty Publications, publications of the faculty members and students and materials related to the University.

In addition, Digital Knowledge Centre provides multi-media information services to the users. It contains audio, Video Cassettes, CDs and DVDs. Users can also have access to electronic resources available in this section. Though, the library is located in a temporary building which provides Conducive learning environment for reading and research works.

The Cultural Museum is an integral part of the Library, established in 1997 and presently at the main campus. This Museum foster cultural awareness and cross-cultural understanding among the different communities of Sri Lanka.

10.8 Student Support Service and Welfare System (SSS & WS)

The Student Support Service and Welfare System (SSS & WS) is a central entity, which located at the main campus to which the students and others could bring their grievances and issues and seek solutions and reliefs. Similarly, it oversees the coordination and cohesion among several service divisions and units to ensure smooth functioning of the system, to remedy shortcomings and deficiencies, and to extend assistance for the students in need.

SSS & WS encompasses six broader areas, namely Student services, Student accommodation and cafeteria services, Common amenities and services such as recreational and sports facilities, curative and preventive health care services and facilities for social, cultural, creative

and aesthetic pursuits, Student welfare, grievance redress and counselling system that will coordinate with university authorities and faculty level student counselling system, Career Guidance Services, and Marshal and Security services.

Further, SSS & WS will entertain any complaints / problems / grievances from students as regard to food and lodging and financial, education and health matters etc., and provide assistance to needy students in liaison with relevant divisions / units.

10.9 Facilities and Services

The students have facilities in the campus such as Library, Computer unit, Health Centre, student's common room, Places of worship, Multi shop, Sporting facilities, Canteen, Students' Unions, Societies, Hostels, Shroff's Office etc. Officers can be met by prior appointment.

10.10 Career Guidance Unit (CGU)

As part of educational reform proposals, Career Guidance has been identified as a priority since 1998; practically every university has started some activities in this regard.

CGU at main campus conducts career related programmes in the following focal areas: counselling and advising on careers, employability skills enhancement, career-related information provision, networking with the industries, availing work experience, graduate placement, entrepreneurship skills development and conducting seminars, conferences, workshops, exhibitions, festivals, industry days, career fairs, out bound training, etc.

10.11 Mentoring

Purpose of Mentoring Program is to support mentees to manage their own life in order to maximize their potential, develop their skills, and improve their performances during their studies in the University.

Therefore, each student will be assigned to a mentor from the beginning of the academic program and will be continued for the entire degree program.

Through the mentoring program, mentors will be able to deliver the following services;

- Provide advice and support to mentees in matters related to their academic progress and personal or professional development and support mentees in their welfare issues.
- Share information about the career path, as well as provide guidance, motivation, emotional support, and role-modelling.
- Assist mentees in acquiring knowledge, skills, and attitude.
- Provide information to mentees on other sources of guidance and support available in and outside the University.

10.12 Industrial Training Cell

Industrial Training Cell (ITC) of the Faculty of Applied Sciences (FAS) was established in 2018, with prime objective of producing science graduates who are skilled in variety of industrial activities specified by the Sri Lankan industries by exposing them to the actual working environments. The ITC organizes industrial training for the students, who have registered for the course of Intensive Industrial Training (IIE 32052) by linking with the relevant industries. This course is offered as an elective course in the second semester of level III for the general degree students. The main objective of the course is to enhance the employability of the FAS general degree holders. The training will be provided for a period of minimum 8- weeks and monitored by the ITC. All the details of the course of IIE 32052 (e.g. eligibility, placement, assessment methods etc.) are available in 'Guidelines for Intensive Industrial Training' issued by the ITC.

10.13 Science Research Centre

The Science Research Centre (SRC) is one of the units of the Faculty of Applied Sciences, South Eastern University of Sri Lanka. SRC supports to the research programs of the faculty members staff and students through the maintenance of shared facilities, to foster interdisciplinary collaborations in science-based research and to serve the university, community, state and region through research and development. The SRC shall be financially secure with core funding derived from either the university or other sources. In this regard, while the university may provide support to the SRC through its operating budget, the SRC is expected to seek external funding to support the activities (e.g. through grants, contracts, donations or fee-for-service).

The main commitments of the SRC are;

1. Coordinate the requirements of the Honours degree research activities of the faculty with interdisciplinary sophisticated resources of the faculty and external institutes.
2. Encourage research collaborations among different disciplines, departments, faculties and other relevant institutes.
3. Provide research training opportunities for staff and undergraduates and serve as a valuable information centre for the community.
4. Finding the potential postgraduate research areas and offer postgraduate degrees by research.
5. Organize seminars, workshops, research talks and symposia.
