Faculty of Management and Commerce

Mission of the Faculty

“To provide quality education in business studies which blends the best of relevant theory and practice with an innovative approach to teaching, learning and research giving due consideration to the changing environment, the real demands of business world, and the contemporary development needs of the South Eastern Region and the country as a whole”

The Faculty of Management and Commerce (FMC) was started with its academic work with the objectives of offering degrees in Bachelor of Business Administration (BBA) and Bachelor of Commerce (B.Com.). Then the faculty realized the necessity of offering a special degree in the field of Marketing, Accounting, Finance, Human Resource Management and Information System with professional training. As a result the special degree programs were started in 1999. In 2008 the faculty commenced a three year degree program B.Sc. in MIT based on the demand in the field of information technology and management.

The Faculty of Management and Commerce has four departments and a unit namely Department of Management, Department of Accountancy and Finance, Department of MIT, Department of Marketing Management and Postgraduate Unit.

The Faculty of Management and Commerce is considered pioneer in implementing the latest University Educational Reforms in the country. Graduates of the Faculty of Management and Commerce are highly able to face challenges of business environment locally as well as internationally.

Message from the Dean

Dr. S. Gunapalan
Dean
**Faculty of Management
and Commerce**

As the Dean of the Faculty of Management and Commerce, I am delighted to give this message for the prospectus of Postgraduate Diploma in Management (PGDM) and Master of Business Administration (MBA).

The Faculty of Management and Commerce currently has three departments and a unit namely Department of Management, Department of Accountancy and Finance, Department of MIT and Postgraduate Unit. The MBA postgraduate program was commenced in 2011 at South Eastern University of Sri Lanka. Our postgraduate students are from various career paths and are enthusiastic in enhancing their managerial skills and knowledge and the postgraduate programs offer opportunity to continue their professional and executive works while studying MBA at our faculty.

The Faculty of Management and Commerce has excellent and well qualified panel of lecturers who are specialized in various fields of study to coach postgraduate students. In addition, postgraduate unit organizes seminars and guest lecture programs with the contribution of industry practitioners and visiting lecturers from other universities in order to impart practical knowledge and to share their experience in management. I am sure that our postgraduate courses provide our students with a strong foundation for building rewarding and successful professional careers.

- ❖ Credit Transfer and Exemption Policy:

Following conditions are needed to be satisfied for credit transfer and exemption.

1. Principally the maximum credits for work done before joining the SEUSL will be considered only up to 50% of the courses of each semester (except for Research Methodology) of the postgraduate program to which the application is being made.
2. The course work being sought for credit transfer should have been completed at a recognized higher educational institution (recognized by the UGC) at a postgraduate level. As such a lower level degree course is non transferable to higher level degree program (eg. such as a course done at Undergraduate level is not transferable to Master degree program).

3. Any application for exemption should be submitted within five years time period from the completion of course for which exemption is sought.

The applications for the credit transfer need to be submitted by the student with the support of the following documents:

- ❖ The course outline of the program that was completed in an institution and courses which are being nominated for credit transfer.
- ❖ The course contact hours and credit weight along with the relevant grades.

Conditions for course and grade transfer:

- ❖ If the course content is similar to the course content at SEUSL to the extent of a minimum of 75%, the course credit will be considered for transfer and a minimum of 60% marks are required for a course to be considered for transfer.

The grade transfer will only be for the purposes of determining the clear standing of the student in the course but will not be a part of the GPA calculation. The credit of the transferred courses will be awarded to the student but it will not affect the GPA earned by the student at the SEUSL. As such Grades from other institutions are not included in the calculation of SEUSL grade point average.

All prospective transfer students must complete SEUSL MBA entry requirements.

Any applications other than specified above will be reviewed individually by the board of study of the postgraduate program, faculty board and the senate of the SEUSL.

Acceptability of transfer credits to a student's academic curriculum are determined by the board of study, faculty board and the senate and the decision of the senate in accepting or rejecting a case of course exemption will be final. Credit Transfer cases will not be entertained after a student has started the program of study. However, the students considered for exemption has to pay total course fee of the postgraduate program prescribed from time to time.

Prepared under section 135 of the Universities Act No. 16 of 1978 as amended by the Universities Amendment Act No. 7 of 1985 and approved by the University Council on 24.08.1996.

This By-Law may be cited as By-Law No. 2 and shall come into force on 15th July, 1996.

Rules pertaining to the Conduct of Examinations:

- ❖ Candidates shall be present at the Examination Hall at least 15 minutes before the commencement of each paper and shall enter the Hall only when they are requested to do so by the Supervisor.
- ❖ On the admission to the Examination Hall, the candidates shall occupy the seats allocated to them.
- ❖ No candidate shall have in his person or in his clothes or on the admission card, time table and record book or on any other object that is permitted to be brought to the examination hall. Any notes, signs, diagrams of formula or any other unauthorized materials, books, notes, parcels, file covers, bags etc. which the candidate has brought with him should be kept at a place indicated by the Supervisor or invigilator.
- ❖ No candidate shall be admitted to the examination hall after the expiry of half an hour from the commencement of the examination nor shall a candidate be allowed to leave the hall until half an hour has elapsed from the commencement of the examination or during the last 15 minutes of the paper.
- ❖ A candidate shall bring into the examination hall his Student Record Book or his University Identity Card which should bear the candidate's photography and his signature duly certified by the Registrar or the Authorized officer. If there is a discrepancy between the names indicated in the Record book or the Identity Card and the name under which the candidate appears for the examination the candidate shall produce a certificate endorsed by the Registrar to the effect that both names refer to one and the same person. In the absence of the above proof of identity a candidate may produce his or her National Identity Card or a recently taken photography duly certified by an authorized person.

- ❖ A candidate may be requested by the Supervisor to declare any items in his or her possession or person.
- ❖ No candidate can either lend or borrow any material from any other candidate or attempt to communicate in any manner with another candidate or copy from the script of any other candidate. No candidate shall attempt to help another candidate or conduct him / her negligently so that another candidate has the opportunity of copying.
- ❖ Candidates shall write only on the writing paper issued during the current paper on that particular date and session.
- ❖ Examination stationary (i.e. writing paper, graph paper, drawing paper, ledger paper, precise paper etc.) will be supplied as and when necessary. No sheet of paper or answer book supplied to a candidate may be torn, crumpled, folded or otherwise mutilated. No papers other than those supplied to him / her by the Supervisor / invigilator shall be used by candidates. Log tables or any other material provided shall be used with care and left behind on the desk. All materials supplied, whether used or unused, shall be left behind on the desk and not removed from the examination halls.
- ❖ Every candidate shall enter his / her Index Number on the answer book and every continuation sheet, before using such answer book or continuation sheet. No candidate shall write his/her name or any identifying mark on the answer script. Any candidate who inserts on his script an Index Number other than his / her own is liable to be regarded as having attempted to cheat.
- ❖ All calculations and rough work shall be done only on paper supplied for the examination and shall be cancelled and attached to the answer script. Such work should not be done on admission cards, time table, question papers, record books or on any other paper. Any candidate who disregards these instructions runs the risk of being considered as having written notes or outline of answers with intention of copying.
- ❖ Every candidate shall conduct himself/herself in the examination hall and its precincts so as not to cause disturbance or inconvenience to the Supervisor or his staff or to other candidates. In entering and leaving the hall, he/she shall conduct himself/herself as quietly as possible. A candidate is liable to be excluded from the examination hall for disorderly conduct.
- ❖ No candidate shall submit a practical or field book dissertation or project study or answer script which has been done wholly or partly by anyone other than the candidate himself/herself.

- ❖ Candidates shall bring their own pens, ink, mathematical instruments, drawing instruments, erasers, pencils and calculator. No candidate shall bring a programmable calculator into the examination.
- ❖ No person shall impersonate a candidate at the examination nor shall any candidate allow himself/herself to be so impersonated by another person.
- ❖ The supervisor/invigilator is empowered to require any candidate to make a statement in writing on any matter which may have arisen during the course of the examination and such statement shall be signed by the candidate. No candidate shall refuse to make such a statement or to sign it.
