The humanity is to come together to understand the various faiths and religions. It is the duty of the scholars to arrange common dialogue among them to understand each other.

Islam is one of the major religions in the world which expects tolerance and social harmony among different ethnic groups in the world. According to the Islamic faith, the humanity is one race. The Holy Quran explain this as follows: "O mankind we created you from a single (pair) of male and female and made you into nations and tribes, and that you may know each other (not that you may despise each other). Verily the most honoured of you in the sight of Allah is (he who is) the most righteous of you. And Allah has full knowledge and is well acquainted."

Islam shares the common understanding between communities of the various religious groups and faiths, and cooperating among these ethnic groups for mutual understanding. It puts an end to violence, extremism, terrorism and wars.

It practiced tolerance among various faith of the world. “We have indeed created man the best of Moulds. Then do we abase him (To be) the lowest of the low. Except such as believe and to righteous deeds for they shall have reward unfailing (Holy Quran 95:4-6)

The minority people of the various faiths have full protection in the majority Muslims countries. Their faith, culture, property and other rights are some, which they
