

## **01. Specialization Tracks of Degree programs**

Bachelors Degree Programs Offer Several Specializations. In the UGC Admission Hand Book, these are given under one name, as different specialization tracks. However a particular cage is not available in the new “*Application Format for Approval of New Degree Programs*” to indicate these specialization tracks.

Therefore it should be come under the programs structure.

## **02. Handing of deviations in the process**

Eg: requests from the Government – MSc (Environmental Planning)/University of Moratuwa

## **03. Commission Decisions Ahead of the QAAC Observations**

## **04. View of Specialization and Review Reports**

Reviewer report template of the application format for UG and PG proposals, comments are requested on followings,

Acceptability of the Background and the Justification
Relevance of proposed degree program to Society
Entry Qualification and Admission process
Program Structure
Program Content
Teaching Learning Methods
Assessment Strategy/Procedure
Resource Availability - Physical
Qualifications of Panel of Teachers (Internal& External)
References/Reading Materials
Recommendation
