Classical Languages are;

For example, students can select three subjects like Sinhala, Pali & Sanskrit etc. These students need not select any subject from basket 01.

However, no candidate can select three classical languages as three subjects. They can select a maximum of two classical languages only.

Foreign Languages are:

- Chinese

Guidance for Selection of subjects from basket 04:

- Students are allowed to select a maximum of two subjects from this basket. For example, when selecting the three subjects, students can select Chinese & French from basket 04 and the other subject from another basket.
