Call For Papers
Third International Symposium

June 01st & 02nd, 2013

www.seu.ac.lk/symposium

SCOPE

The symposium will mainly focus on emerging challenges on sustainable developments and winning strategies through the research.

Research areas covered:

- >> Applied Sciences
- >> Management
- >> Humanities, Arts & Languages

Research Tracks:

- >> Chemistry, Physics and Earth Science
- >> Biology, Agricultural Sciences and Environmental Sciences
- >> Mathematics, Computer Science and Statistics
- >> Engineering and Technology
- >> Accountancy & Finance
- >> Management
- >> Information Systems Management
- >> Social Sciences
- >> Geography
- >> Economics
- >> Languages and Linguistics
- >> Islamic Studies

The symposium will be a multidisciplinary conference at which the research papers will be arranged for presentation according to the research track.

The symposium will provide a valuable forum for academics, scientists, engineers, sociologists, economists, research students, etc. to present their research findings and to gain first-hand knowledge of some of the frontier areas and new directions in research and technology as well as to share and exchange ideas.
