

South Eastern University of Sri Lanka - Oluvil, Sri Lanka

Call For Papers 03rd International Symposium

June 01st & 02nd, 2013

SCOPE

The symposium will mainly focus on emerging challenges on sustainable developments and winning strategies through the research.

Research areas covered:

- >> Applied Sciences
- >> Management
- >> Humanities, Arts & Languages

Research Tracks:

Chemistry, Physics and Earth Science, Biology, Agricultural Sciences, Environmental Sciences, Mathematics, Computer Science and Statistics, Engineering & Technology, Accountancy & Finance, Management, Information Systems Management, Social Sciences, Geography, Economics, Languages and Linguistics and Islamic Studies

The symposium will be a multidisciplinary conference at which the research papers will be arranged for presentation according to the research track. The symposium will provide a valuable forum for academics, scientists, engineers, sociologists, economists, research students, etc. to present their research findings and to gain first-hand knowledge of some of the frontier areas and new directions in research and technology as well as to share and exchange ideas.

Guidelines for preparing full papers and more details are available at www.seu.ac.lk/symposium
